

Alfa-Pro

Alfa-Pro is an exceptional fortified ground alfalfa cube formulated to meet all the nutrient requirements of a mature horse.

Benefits

- Premium ground alfalfa complete feed cube
- 14% crude protein, 2.5% fat
- Fortified with all necessary vitamins and minerals to meet the nutritional needs of the mature horse
- Added prebiotics and probiotics aid in digestive health
- Added vitamin E and selenium help reduce the chances of tying up and increase immune function
- A more consistent product compared to feeding hay, and with less dust
- Can replace hay and pasture; no additional forage is necessary
- Convenient and easy to feed on the road or at home

Feeding Directions

Feed horses at the rate of 1.5% to 2.0% body weight depending on their condition, physical activity and/or production stage. We suggest providing feed at least twice per day in equal portions. Also provide fresh, clean water at all times.

Feed Analysis

Crude Protein (min)	14%	Copper (min)	20 ppm
Lysine (min)	0.4%	Selenium (min)	0.3 ppm
Crude Fat (min)	2.5%	Zinc (min)	70 ppm
Crude Fiber (max)	25%	Vitamin A (min)	4,000 IU/LB
Calcium	1.0 – 1.5%	Vitamin D (min)	500 IU/LB
Phosphorus (min)	0.4%	Vitamin E (min)	70 IU/LB

Not All Feed is Created Equal

Every bag of Alfa-Pro contains high-performing ingredients produced to meet stringent standards for consistent quality. It's the result of knowledgeable equine nutritionists collaborating with horse owners to provide optimum feed formulations.

Look how Alfa-Pro compares:

	Alfa-Pro*	Equidyne*
Crude Protein (min)	14%	12%
Lysine (min)	0.4%	N/A
Crude Fat (min)	2.5%	0.75%
Crude Fiber (max)	25%	25%
Calcium (min)	1.0– 1.5%	0.8 – 1.7%
Phosphorus (min)	0.4%	0.18 – 0.5%
Copper (min)	20 ppm	15 ppm
Selenium (min)	0.3 ppm	0.2 ppm
Zinc (min)	70 ppm	45 ppm
Vitamin A (min)	4,000 IU/LB	300 IU/LB
Vitamin D (min)	500 IU/LB	N/A
Vitamin E (min)	70 IU/LB	N/A
Complete Feed	Yes	Yes
Alfalfa Hay	Yes	Yes
% Cracked Corn	7.5%	15%
Prebiotics	Yes	N/A
Probiotics	Yes	N/A

* Values taken from the product feed tags

“I have been working with Hi-Pro Feeds and the Alfa-Pro product for almost two years. We have conducted several feeding trials at the veterinary clinic, and found that this fortified ground alfalfa cube is a great feed for mature horses. I have had top notch results feeding it to horses that are sensitive to dust, and hard keepers that typically don't chew or digest long stemmed forages. It provides a base diet that can be measured to ensure the appropriate intake by obese horses to help manage weight. Alfa-Pro is easy to feed, and consistent. It is our preferred forage product in both the veterinary clinic and when I take horses on the road. This product delivers the results I expect in a complete feed for mature horses.”
