

Classic Gold

Classic Gold textured horse feed supplies peace of mind nutrition results for growing and performance horses involved in light to moderate work.

Benefits

- Textured feed with 14% crude protein and 6% fat from quality sources such as canola and soybean
- Combination of oats, barley and cracked corn
- Offers the horse needed energy and a shiny hair coat
- Includes the following ingredients: *Saccaromyces cerevisiae* yeast, balanced ratio of amino acids, added flavor, and salt
- Fortified with all of the necessary vitamins and minerals to meet nutritional needs for all stages of life

Feeding Directions

Feed as the sole grain ration at the rate of 0.5% to 1.5% of body weight depending on condition, physical activity and/or production stage of the horse. For horses consuming more than 0.5% body weight per day, provide feed at a minimum of twice-per-day in equal portions. This is not a complete feed. Provide a source of good quality forage in the form of hay or pasture and clean, fresh water at all times.

Feed Analysis

Crude Protein (min)	14%	Magnesium (min)	0.2%
Lysine (min)	0.7%	Copper (min)	60 ppm
Methionine (min)	0.2%	Manganese (min)	130 ppm
Crude Fat (min)	6%	Zinc (min)	225 ppm
Crude Fiber (max)	7.5%	Cobalt (min)	0.7 ppm
Starch (max)	29.5%	Selenium (min)	0.6 ppm
Sugars (max)	5%	Vitamin A (min)	3,000 IU/LB
Sodium (min)	0.4%	Vitamin D (min)	300 IU/LB
Calcium (max)	1.2%	Vitamin E (min)	130 IU/LB
Phosphorus (min)	0.5%
