INGREDIENTS

Barley, cracked corn, steam flaked milo, oats, molasses products, fat products, high fructose corn syrup, vegetable oil, artificial flavoring, propylene glycol, polysorbate 60, glycerin, sulfuric acid, xanthan gum, mineral oil, propionic acid, acetic acid, ethoxyquin (preservatives).

FEEDING DIRECTIONS

Hand feed or mix with roughage to feed beef cattle in feedlots. Introduce to cattle slowly at not more than 30% of total ration or intake. Do not feed free choice to mature ruminant animals. Hand feed to horses and mules with roughage. This is not a complete feed. Overconsumption will cause digestive upsets. Always provide plenty of clean fresh water for drinking. Keep feed fresh in cool, dry storage. DO NOT use feed that is old, molded or insect contaminated.
