SHOW FINISHER RATION

FOR BEEF CATTLE IN CONFINEMENT

GUARANTEED ANALYSIS

Crude Protein*	Minimum	12.0%
*(This includes not more than 0.6% equivalent non-protein nitrogen)		
Crude Fat	Minimum	5.0%
Crude Fiber	Maximum	12.5%
Ash	Maximum	9.0%
Calcium	Minimum	0.6%
Calcium	Maximum	1.1%
Phosphorus	Minimum	0.4%
Salt	Minimum	0.4%
Salt	Maximum	0.9%
Potassium	Minimum	0.9%
Magnesium	Minimum	0.2%
Chromium	Minimum	0.3 ppm
Copper	Minimum	25.0 ppm
Manganese	Minimum	40.0 ppm
Zinc	Minimum	130.0 ppm
Vitamin A	Minimum	6,000 IU/LB
Vitamin E	Minimum	55.0 IU/LB

INGREDIENTS

Rollled corn, cottonseed hulls (13%), cane molasses, whole cottonseed, cottonseed meal, suncured alfalfa pellets, fat products, wheat middlings, ground wheat, high fructose corn syrup, calcium carbonate, ammonium chloride, salt, yeast culture, artificial flavoring, Vitamin A supplement, sodium selenite, Vitamin E supplement, zinc amino acid complex, manganese amino acid complex, copper amino acid complex, cobalt glucoheptonate, direct-fed microorganisms, magnesium oxide, zinc sulfate, ferrous carbonate, copper chloride, manganese sulfate, ethylenediamine dihydriodide, cobalt sulfate, chromium propionate, yeast extract, saccharomyces cerevisiae, propionic acid, propylene glycol, polysorbate 60, glycerin, sulfuric acid, xanthan gum, dried lignin sulfonate, mineral oil, ethoxyquin, acetic acid (preservatives).

FEEDING DIRECTIONS

Feed from 1.5% to 2.5% of body weight to beef cattle after cattle have been brought up to full feed on Hi-Pro Show Calf Starter. Daily feed allowance should be divided into two or more equal feedings per day to help prevent digestive upsets. Hi-Pro Show Finisher Ration contains a high grain level to insure maximum performance for finishing cattle. Because of the high grain level, Hi-Pro Show Finisher Ration should be introduced to animals gradually, until the desired feeding level is achieved. Hand feed to mature cattle with hay or other roughage to help prevent digestive upsets. Keep feed fresh in cool, dry storage. DO NOT use feed that is old, molded or insect contaminated.

CAUTION: Use only as directed. For ruminants (cattle, sheep & goats) only.

CAUTION: This feed contains added copper. Do not feed to sheep or other related species.

CAUTION: This feed contains added chromium. Do not exceed 0.5 milligrams of chromium from chromium propionate per kilogram of the complete feed.
